HOUSE PLAN
Plan No. 260

This delightful ranch style home utilizes space to the maximum.

Entrance is from a covered front stoop through an entry hall to a spacious living and dining area to the rear of the home. The living-dining area features a fireplace on the back wall. From the dining area, a sliding glass door leads to a covered porch, which opens to the rear yard.

The kitchen and eating area is conveniently located at the front of the home and opens into the double carport.

Three nice size bedrooms, with adequate closet space, are located on the quiet side of the home. The master bedroom has a private shower bath.

The washer and dryer are located off the hallway behind bi-fold doors.

The home, design number 260 has 1,239 square feet of living space, 455 square feet in the carport and storage, 88 square feet in the covered porch and 50 square feet in the covered stoop. The exterior has simple low lines featuring sloped siding.

Complete blueprints are available from E. A. Myers, residential designer, 1400 Scott Boulevard, Decatur, Georgia 30030. This plan appears in the sixth edition of the company's plan book.
